

Please do not invalidate New Jersey's Telephone Consumer Protection Act (Do Not Call list). I feel that telemarketers invade my privacy and peace of home with their annoying phone calls at the most inopportune time. I do not purchase ANYTHING from telemarketers that call me; even if I have purchased something from the representative's company in the past 18 months or longer. IF I WANT TO PURCHASE SOMETHING, I WILL INITIATE THE CONTACT.

PLEASE KEEP NEW JERSEY'S LAW AS IT PRESENTLY STANDS.

Respectfully,

Joyce C. Newton
